

# Acocks Green Village BID renewal 2022-2026

Vote YES for the BID! On 16th September to 14th October 2021

• The next 5 years are crucial!  
Unless you vote YES in 2021 for a BID third term, we will lose all of these things and more, as the other towns and cities around us thrive and grow through being a BID and investing in their own trading centres.

• There are over 320 BIDs now in the UK and 12 across Birmingham alone.

Acocks Green cannot turn backwards when others are moving forwards.

# Imagine life without the BID in 2022-2026?!!

- **NO MORE** £630,000+ investment in Acocks Green shopping centre on projects that businesses have chosen and want to see delivered
- **NO MORE** events and fun days to increase footfall, raise the Village profile and drive more people into your businesses!

- **NO MORE FREE** Apex radios or town warden service, resulting in a massive increase in shoplifting, crime, street drinking, beggars and anti-social behaviour!
- **NO MORE FREE** business training in compulsory areas such as Food Hygiene and Health & Safety!
- **NO MORE FREE** lights to adorn the shopping centre and no more festive switch-on celebrations!

- **NO MORE** Village planting scheme including the Green hanging baskets and planters, and no financial support for Village in Bloom that in part, led us to Gold victory 5 years running!
- **NO MORE** graffiti removal and cleaning service. The streets return to be covered with graffiti, (104 pieces removed by Ben in 2020 alone)! Behind the shops will be full of litter and there'll be **NO MORE** cleaning or repainting of bins, benches or telephone boxes!
- **NO MORE** representation on your behalf when it comes to getting things done! For example help with official forms and support, enquiries regarding trading licenses and assistance through the minefield of council departments!

If you don't want to lose all these things that have improved Acocks Green Village over the past 10 years, then vote **YES** for a 3rd successful BID term in 2021
